V = Velocità del nastro                      m/s  
 M = Coppia all'asse del motorullo        Nm  
 F = Trazione del nastro                      N  
 L = Larghezza minima del mantello      mm

V = Belt speed                                      m/s  
 M = Drummotor axis torque                Nm  
 F = Belt pull                                        N  
 L = Min. face width                              mm
